Spring Is In The Air!

Happy March Friends! This month we will learn about St. Patrick's Day, Easter, Passover, Spring as well as Wetland and Pond Animals! We will be enjoying our weather themed sensory table and making fun spring crafts!

The first week we will talk about the weather such as tornados, hurricanes, snowstorms, clouds and the water cycle. We will make rainy day window art, a sunflower craft using a fork and paint, and cherry blossom art by transferring paint using cotton balls. We will make umbrellas using cupcake holders and pipe cleaners as well as use blue paint to

finger paint water drops!

The second week, we will talk about St. Patrick's Day, Easter and Passover! We will learn the dance moves to "Goonie Bird". We will make shamrock

sun catchers with coffee filters and various colors, Leprechaun masks out of paper plates and handprint carrots! We will also make a rainbow chain craft by gluing gold coins to the pot of gold!

The third week we will be talking about Wetlands/ponds. We will make glittery popsicle

stick dragon art with clothespins and popsicle sticks. We will also make a cattail seed art project. We will make a paper plate frog using green tissue paper and adding the mouth and tongue along with a bug glued onto the tongue!

During the fourth week we will be welcoming Spring! We will be talking about all the weather changes we see as well as what flowers are starting to bloom.

We will be making crafts such as rainbow clouds, spring kite, and coffee filter butterflies. We will even plant flowers!
