17	MatRIC Newsletter #11 distributed
31 March- 2 April	INDRUM Conference : International Network for Didactic Research in University Mathematics SG, OV, Ninne Marie Hogstad, Said Hadjerrouit, Helge Fredriksen to attend.
<b>April</b>	
1	UiA Beta birthday party. MB and LEM represents MatRIC with a stand.
29.March- 19 April	PHD student Lenka Horavova visits UiA, MatRIC is hosting this.
15	MatRIC Board meeting.
18	SG takes part in meeting with the Ministry about the “Stortingsmelding om kvalitet i utdanningen”.
26-28	Joint working meeting regarding digital assessment in Edinburgh with representatives from different digital assessment programmes (SOWISO, NUMBAS ++). Invitation only event.
24-27	SG to address uLead conference in Banff, Canada. And a meeting at University of Calgary
25.4-17.6	Majka Klimešová, PHD student from BRNO visits UiA and MatRIC is hosting this.
<b>May</b>	Visit by Martin Fajkus Tomas Bata University in Zlin (EEA – Norway grant) 1 week
26	MatRIC takes part in the “Abelday” at the University where 5 graders from Agder visit the Universtiy and celebrates the Abel winner.
<b>June</b>	Proposed visit by Matt Voigt from SDSU (3 months +) depends on funding from US NSF.  Visit by Prof. Chris. Rasmussen, SDSU
13	Third and last gathering for the Induction course held at NTNU
13?	METMAS meeting Kristiansand

9	Joint workshop on flipped classroom approach with Narvik University College. This will also be the final event of the METMAS project (Mathematics Education Through Modelling Authentic Situations a collaboration with Brno University of Technology funded by a EEA Norway Grant).
10	Workshop for PhD fellows – focusing on analyzing video data, and also the final event of the METMAS project (Mathematics Education Through Modelling Authentic Situations a collaboration with Brno University of Technology funded by a EEA Norway Grant).
24	Annual meeting with STA
27-29	Conference of the SEFI (European Society for Engineering Education) Mathematics Working Group (MWG) at Göteborg. MB
<b>July</b>	
<b>August</b>	
7-18	Second visit by Prof. Chris. Rasmussen SDSU
?	Mathematical Modelling workshop
15.8-16.9	Klára Nečasová – PHD (?) student from BRNO visits UiA and MatRIC is hosting this.
15.8-16.9	Gabriela Nečasová – PHD (?) student from BRNO visits UiA and MatRIC is hosting this.
23.8-16.9	Marie Pokorná - PHD (?) student from BRNO visits UiA and MatRIC is hosting this.
23.8-16.9	David Staněk - PHD (?) student from BRNO visits UiA and MatRIC is hosting this.
<b>September</b>	
5-9	Centre visit to MEC Loughborough – combine with the CETL-MSOR conference, 5-9 September.
?	<del>Modelling workshop</del>

<b>October</b>	
19-20	Annual Conference at Gardermoen: Theme: "Addressing the challenges faced by teachers and learners of university level mathematics".
<b>November</b>	
<b>December</b>	

*Initials:*
