6/17 – 6/21

Occupation

Letter of the Week: **C**

6/24-6/28

Transportation

Letter of the Week: **D**

July 1—July 5

SUMMER BREAK

## Hello June,

This month is quite a transition for Yellow Room. We have new friends joining us and have said goodbye to a few. Our month will focus on the theme “When I Grow Up.” We will discuss **Construction, Fishing/Camping/Father's Day, Occupations, and Transportation.**

We will start this month by constructing great experiences in our room. We will discuss the importance of **Construction**. While looking at images of famous bridges and buildings, the children will play as construction workers. Using costumes, construction tools, and brick blocks to construct the images they see (buildings, roads, bridges, etc.)

Our second week will be dedicated to the male figures in the kiddos lives. We will make special gifts for **Father's Day**, and explore what fun **Fishing and Camping** can be. Students will make some s'mores and eat them. We will then talk about what it tastes, smells, feels, looks, and sounds like when we eat them.

Next we will learn about the many **Occupations** there are. We will talk about mail carriers, policemen, dentist, chefs, and musicians. Students will Velcro the uppercase letter stamp to the matching envelope and place it in the mailbox when completed.

Lastly, we will end the month with **Transportation**. We will learn about air, land, and water travel. From boats to trains, airplanes to cars, and trucks. Students will slide different transportation vehicles down a ramp and guess which one will go the furthest. First, they will write down their predictions and then their results to compare.

This will be an exciting month!!!

## Happy Birthday

Noemi—June 10

## Reminders

- **Water Day** will be **Wednesday, June 26th**
- **Spirit Week** will take place **Monday, June 24—Friday, June 28**

The Academy will be **Closed 7/1—7/5** for  
**Summer BREAK**
