January 2019

LETTER OF THE WEEK:

1/7-1/11: Pp

1/14-1/18: Qq

1/21-1/25: Rr

1/28-2/1: Ss

Star of the Week

1/7-1/11: Wyatt

1/14-1/18: Brady

1/21-1/25: Easton

1/28-2/1: Hadley

Happy New Year! It's 2019! Welcome back! We hope everyone had a great winter break. We are excited to be back and ready to start the New Year. We have so much planned for this month! Get ready for a month full of fun.

This month we will cover many interesting topics. Our first week we will learn about animals that live in the desert. For art we will make desert dough using shaving cream and sand. We will also make our very own camel using our handprints. For math we will practice counting using cactus cuts out and counting splitters.

During our second week we will focus on the rainforest and jungle. We will learn about monkeys, snakes and toucans. For art we will be making monkeys, rain sticks and paper plate

snakes. We will also make our very own jungle slime using liquid starch, glitter, watercolors and glue.

Our third week we will focus on animals that live in cold climates. We will be talking about hibernation and migration. We will also be learning

about polar bears, penguins and walrus. We will do an experiment to learn how animals who live in cold environments stay warm. During centers we will make a chart about everything we have learned about animals who live in cold temperatures.

The last week we will focus on grasslands. We will learn about elephants, giraffes, zebras and leopards. We will be making elephant toothpaste using dish soap, hydrogen peroxide, warm water and food coloring. We will also be making a giraffe using our handprints and a zebra marble painting.

Reminders

- We will be closed Monday, January 21st (Martin Luther King Day)
- Please remember to sign IN and OUT during pick up and drop off.

Enrichment:

Creative Arts
