

SIMPLIPHI YOUR POWER WITH THE **BIG GENNY** BATTERY POWERED GENERATOR

PORTABLE ELECTRIC POWER SUPPLY
FOR WORK, HOME, OR ON-THE-GO

The Big Genny™ is a portable rechargeable battery-powered generator of AC power. It stores electricity from any power source—grid, solar, wind—when access to AC power is not available, such as during power outages, emergencies and in remote locations. It is a silent, non-toxic, cobalt-free power supply that can be used anytime, anywhere to charge cell phones, tablets, laptops, fans, small appliances, and many other types of portable equipment for years of reliable use.

Big Genny™

Big Genny™

Voltage Output	115-120 VAC/60 Hz 5 Volt USB
Capacity	1,140 Wh/89 Ah
Peak Output	1,200 Watts AC
Connectors	(2) AC Outlets (2) USB connectors
Memory Effect	None, recharge anytime
Operating Temp	32° to 104°F (0° to 40°C)
Charge Retention	<1% loss per month
Charge Cycles	2,500
Standard Charge Time	11 hours
Charge Input	12.8 VDC
Solar Input	12 to 18 VDC up to 15A
Warranty	5 years on battery system

- AC power for lights, chargers, computers, blenders, aquarium pumps, water purifiers, power tools and more
- 5 Volt USB port for cell phones and tablets
- Fits under a desk, in the car, bus or train
