

## Deadline for registration for the ND Conference - April, 30

Dear ICLARS member,

We remind you that the **early bird registration for the next ICLARS Conference** (Notre Dame University, US, 21-23 October 2024), with reduced conference fees, **ends on 30 April**. If you want to benefit from the special fees for ICLARS members, you must have paid, at least, the ICLARS fees corresponding to 2023 and 2024. If you have some doubt concerning your ICLARS payments, please contact me at this same email address.

We remind you also that **those who proposed papers or panels to the conference should register and pay the conference fees before 30 April using these links** (otherwise we assume that you withdraw your proposal):
