

Cornell Child Care Center

Back-up care for when regular care falls through

Cornell University partners with **Bright Horizons**[®] to offer the highest-quality back-up care when your regular child care arrangement is unavailable.

The Cornell Child Care Center offers quality care and curriculum, experienced teachers and center staff, and low ratios in a safe, welcoming, and exciting environment. Serving ages 6 weeks through 5 years, our center is designed to ensure your child has an age-appropriate enriching experience.

As an employee or student of Cornell University you:

- ▶ Are eligible for 10 utilizations of back-up child care per child per calendar year. Whether a child comes to us for a half day or full day it will count as 1 utilization
- ▶ Pay a co-pay of \$50 per child per full day visit
- ▶ Pay a co-pay of \$30 per child per half day visit (7-12 am or 1-6 pm)
- ▶ Co-pay information will be collected when you reserve care and charged on the day you receive care

You can use the Back-Up Child Care Program when your regular child care arrangement is unavailable. For example, you can use back-up care during:

- ▶ Child care provider breaks, closings and other schedule changes
- ▶ Regular caregivers' sick days or vacations
