

Blue Room Newsletter

2019

Ms. Melissa and
Ms. Steffi

Happy Harvest

Happy Birthday

Demian—11/4

Adrian—11/8

Hello Blue Room Friends and Families! It is already November! Can you believe it? Time Flies when you are having fun with your family. We want to say **thank you** to all of our families for participating in Star of the Week Decorations. Continue to check out our Star of the week board as we will have new kiddos that are shining. We love these photos and so do the kiddos. In addition, **thank you** for coming out our 2nd annual Fall Festival and our Halloween Parade! We hope you had **fun**. Ms. Melissa and Ms. Steffi are grateful for all of our students and their families.

Let's jump into our first week of November as we travel the world in our **Maps, Globes, and Travel** week. We will start off by learning about maps and making our own world map using glitter for the continents. Followed by learning about our oceans. Buckle up as travel across the world to visit Italy, France, and Spain and learn about each country's culture.

During our second week, we will talk about **My Community**. We will introduce community helpers and color sort community buildings. We will visit the park and learn how to play the playground board game. Our students will also create their own Google map of their neighborhood using shapes. We will wrap up the week with counting and placing family members to the numeral house.

During our last week we will be discussing and focusing on **Thanksgiving**. We will start the celebration off with turkeys by creating a sponge paint paper plate turkey. We are dedicating a full day to discussing what we are thankful for and will write it down. We are going to learn about the Mayflower and the first thanksgiving. We will also count how many vegetables are in different cornucopias. Our students are going to get silly and write their name with cranberry sauce on our Thanksgiving foods day.

The Academy at Pasadena will be closed November 27– 29.

Star of the Week:

11/4-11/8 : Harris

11/11-11/15: Logan

November 27-29 : School Closed

Character Trait of the Month

Determined

I ask questions until I understand the answer. I try and try again. I never give up. I work hard to get what I want.
