

Tiny Tot Story Time

at Bright Horizons at Bellevue Spring District

Once a month, from October – December, we will be inviting families to join us for an hour-long, interactive story time that supports Bright Horizons dedication to literacy development in young children. Throughout the reading, our teachers will sing, dance, and laugh with your child. Once the story ends, there will be an opportunity for children to participate in an age-appropriate art activity.

These story times are geared toward infants and young toddlers. They are free and open to the community, but adults must remain with the children during the event.

Join us for one or all of the following Fridays from 10:00 a.m. - 11:00 a.m.

- October 19
- November 16
- December 14
