WDCH Dreams

Walt Disney Concert Hall takes the spotlight – almost literally – in the opening week. Media artist Refik Anadol will transform the Hall through projections on its steel skin using light, data, and machine intelligence that allows materials from the LA Phil's digital archives to "dream," giving consciousness to the building and forming its own patterns bringing the exterior to life.

Oneohtrix Point Never: MYRIAD

Examining disorienting forms at the intersection of theatre, installation art, and musical performance, and imagined from the perspective of an alien intelligence, MYRIAD explores film and television tropes, abstract sculpture, game ephemera, poetry, apocryphal histories, internet esoterica, and philosophies of being. It looks toward the possibilities of the future while considering the conflict between today's civilization and the environment.

MYRIAD's West Coast premiere will take place at Walt Disney Concert Hall on October 22, 2018. It's informed by Oneohtrix Point Never's site-specific commissions at the Museum of Modern Art (2011), Tate Britain, MoMA PS1 (2013), and Edinburgh International Festival (2015). His latest album, *Age Of*, was released on Friday, June 1.

William Grant Still & the Harlem Renaissance

In the Roaring Twenties, there was a great outburst of African-American art and culture, centered in the Harlem neighborhood of Manhattan. Composer William Grant Still was a big part of this, writing for jazz bands and radio shows before moving to Los Angeles to work in films. He filled his symphonies with the sound of the blues and African-American spirituals.
