CAREER OBJECTIVE

A creative artist with demonstrated experience in developing visual templates, storyboards, and sketches. Looking for an opportunity to work as a Storyboard Artist, where I can bring my passion for visual storytelling and help create innovative projects.

WORK EXPERIENCE

Teaching Assistant

Illustration Department, ArtCenter College of Design
05.2022 - 12.2022 / Pasadena, CA

- Manage class attendance and respond to student questions outside of the class period.
- Manage online teaching setup on Bluescape and DotEd to ensure students received updated course materials.
- Collaborated with the professor to develop and implement lesson plans and class activities.
- Provided feedback on student work and offered suggestions for improvement.

Storyboard Artist

Storyboarding Classes, ArtCenter College of Design
2021 - 2022 / Pasadena, CA

- Created original storyboards for 3 personal animated projects.
- Developed characters, environments, and story arcs to convey the narrative effectively.
- Utilized digital drawing tools and techniques to create professional quality storyboards.
- Communicated effectively with the instructors to ensure the project's goals were met within the designated timeline.
