1962 Cadillac Series 62 Convertible

Summary

This Cadillac ran and drove well with some other issues of note. On the exterior I noted the windshield washer does not work. There are minor misc scratches around the vehicle. Most too small to see in photos. I noted some chips in the paint around the vehicle. The underside has been undercoated. The undercoating can hide rust. The underside of the vehicle shows signs of minor rot. Metal work will be needed to fix these areas. The floor panels show prior patch work. The body seals around the windows are showing signs of age and wear. This includes the doors, windows, trunk, and other miscellaneous body seals. They will need replacement. Glass shows no cracks or major chipping, but does show staining from age. I checked the vehicle with a magnet and found it to stick all around but was weaker in the lower panels. There is some filler, but not excessive.

Inside I noted the steering wheel shows cracks due to age. The horn does not work. There is light wear to the seats. The power seats do not work. The clock does not work. The radio does not work. All four windows go up and down slowly due to the age of the window motors and wear. The heater system has been bypassed so the heater does not produce any heat. This is usually done when there is a leaking heater core.

The power steering is not working. More diagnosis needed. I noted some blow by of the rings. I noted a rear main seal leak. The engine shows active oil leaks. The engine should be pressure washed off and rechecked to verify source of the leak or all leaks. The emergency brake works but the release doesn't work was designed.

The engine had plenty of power and there were no misfires, but I did note blow by. The transmission shifted as designed with no harsh engagement or slipping. As noted, the power steering is not working. There were no abnormal vibrations or odd noises. The brakes worked as designed.

See below and pictures for more info.

Vehicle Information	
Year	1962
Make	Cadillac
Model	Series 62
	Convertible
VIN	62F075467
Stock No.	N/A
Mileage	70767
Engine Cylinders	8 Cylinder
Exterior Color	Black
Interior Color	Black
Interior Material	Leather
Engine Number	N/A
Transmission Number	N/A
Fuel Type	Gas
