GREEN ROOM NEWSLETTER

August 2019

The Academy at Venice

Ms. Amanda & Ms. Zoe

This month in the Green Room we are using our imaginations and learning about all sorts of fun things! We will be talking about the circus, carnivals, Wild West, Fairytale stories and inventions/robots!

To Start August off we will be talking about the Carnival. The letter for the first week of August is C. We will learn all about the different words that start with C.

The second week will be all about the Wild West! Yee-haw!! We will be panning for gold, learning about cowboys and cowgirls and so much more!

The third week will be all about fairytales! The kids will be learning about imagination and how they can scare away monsters.

The Fourth week we will learn about robots and explore technology. The kids will be using a variety of materials to make their own robots and inventions.

Jean- Jacques Rousseau once said, "The world of reality has its limits; the world of imagination is boundless." As a class we are looking forward to a limitless month!
