LA PHIL MUSIC DIRECTOR GUSTAVO DUDAMEL'S HOLLYWOOD BOWL APPEARANCES

Dudamel begins his summer season appearances with two concerts with celebrated pianist Lang Lang, performing Prokofiev's Piano Concerto No. 3. EMBRACING THE LATEST TECHNOLOGIES

Through the use of the latest technologies, the LA Phil provides innovative ways for music lovers to enhance their concert-going experience. The LA Phil provides a state-of-the-art website and mobile site as well as profiles on social networks such as Facebook and Twitter, giving fans an opportunity to connect directly with the LA Phil, Walt Disney Concert Hall, the Hollywood Bowl, and the artists who perform at these iconic venues. In 2009, the LA Phil released the “Hollywood Bowl” application - the first venue application of its kind – offering detailed concert information, the ability to purchase tickets, GPS-enabled, turn-by-turn directions to the venue, seating charts, concession options, parking information and more. The app was an iTunes “Pick of the Week.” Also, in 2009, the LA Phil launched the “Bravo Gustavo” online game and application, which was featured in Time magazine’s “Short List.” In 2010, the LA Phil launched the “LA Phil” application for Android, Blackberry, iPhone and the mobile web and it was immediately featured in the Blackberry App Store. Much like the “Hollywood Bowl” app, the “LA Phil” app acts as a personal guide to Walt Disney Concert Hall, offering detailed concert information, an interactive orchestra map, program notes, performer biographies, composer histories, photos, the ability to purchase tickets, and on-demand videos of Upbeat Live pre-concert talks.

THE BOWL WALK

Developed as part of the renovations in the 2004 Hollywood Bowl Shell Project, The Bowl Walk is a 10-station exhibit around the grounds of the Hollywood Bowl, a Los Angeles County Park, which beckons visitors to view the venue outside and around the theater. The exhibit features visual displays throughout the park, presenting information on the cultural events, history and architecture of the legendary natural amphitheater. The Walk begins at the entrance of the Bowl (on Peppertree Lane) and concludes inside the theater on the Fourth Promenade at the top of the hill.

Ten photographic displays along the pedestrian walkways guide visitors through the park: *The Muse of Music, Peppertree Lane, Pop & Rock at the Hollywood Bowl, Great Performances, The Shell, The Amphitheater, The Cahuenga Pass Treasure, Flora & Fauna of the Hollywood Bowl, Picnics & Fireworks, and The View from the Fourth Prom.* An accessible sign fixed in the plaza area, near the Box Office and Bowl Store, includes Walk information for patrons with disabilities. The exhibit design is by Hodgetts & Fung.

PARK & RIDE AND SHUTTLE SERVICE

Leave the car behind as well as the traffic with these two convenient and affordable transportation services offered by the Bowl. Park & Ride (\$5-\$8) service will be available from 14 convenient locations in the Southland during the Hollywood Bowl 2010 season. Shuttle lots (\$4) offer convenient parking at three close-to-the-Bowl locations.
