The Catechesis of the Good Shepherd

Level 1 Formation Course for Adults

Office of Education,
Evangelization and Catechesis

What is Catechesis of the Good Shepherd?

Catechesis of the Good Shepherd is a hands-on method of faith formation based on the Montessori method of learning. It utilizes a prepared space for children called the “atrium” and extensively trained catechists. The atrium is filled with child-sized furnishings and manipulative models representing people, places, and objects found in scripture and liturgy. Everything in the atrium is made to feed the deep religious potential of children.

Training in **Catechesis of the Good Shepherd** prepares adults to work in the atrium with children. Often adults also find the courses to be useful to their own spiritual life as well. This is a Level I course in preparation for working with 3-6 year-old children. Level I is foundational to training and work in Level II (6-9 year-olds) and Level III (9-12 year-olds). It is appropriate for those wishing to be catechists as well as others wishing to have a deeper understanding of the spirituality of children.

This course is structured to prepare catechists to begin work in a Level I atrium as soon as Fall 2018, and will meet the following objectives:

- present the methodology and guiding principles of the Catechesis of the Good Shepherd
- explore the general developmental characteristics, religious nature, and the religious needs of the 3-6 year old child.
- meditate on Biblical and liturgical themes and presentations presented to the 3-6 year-old child.
- offer guidelines and assistance in creating a 3-6 atrium, preparing the catechist’s album, and materials making.
- broaden one’s ability to observe and learn from children, to listen with children to Scripture, and to deepen one’s enjoyment of God’s presence.
