- Please remember to take home nap time bedding to be washed weekly!
- Please Remember to sign your child in and out of class!

Thank you!

With June here, summer is officially upon us! We have prepared a lot of fun activities and can't wait to start the new season here in Green Room!

We will kick off this month with an Occupations and Community Helpers week! Children will learn about different jobs and their roles in the community! Children will be given opportunities to talk about what they want to be when they grow up, and will explore different identities in dramatic play.

During the second week of June we will be celebrating Father's Day! The children will be decorating a gift for their dad and filling out an "All About My Dad" questionnaire with the help of a teacher. On Friday we will be having a Father's Day S'more Making Party! All dads are invited to join us, even if your

child is not enrolled on Fridays. No siblings please!

The third week of June is our Transportation week. We will talk about the different types of vehicles that exist and talk about traveling. Children will experiment with bubble wrap and engage with a baking soda and vinegar car wash in the sensory table!

The fourth week of June is all about construction! We will be exploring and building different types of construction sites. The children will also be explore painting with trucks, gear builders and tools! Get ready for a busy and fun month in Green Room!

PLEASE JOIN US...

for Park Night on Wednesday, June 19th! Pack a picnic and enjoy the beautiful summer weather with us from 4:30 pm to 6:30 pm at Glen Alla Park. This is a wonderful opportunity to get to know your child's teachers and the other parents in your child's class.

Reminder!

The Academy at Venice will be closed for Summer Break Monday, July 1 through Friday, July 5! Have a happy and safe break!
