

Dear JCCC Parents and Staff,

As some of you may know, LaShawnda Pearson, center director at JCCC Main is pregnant! Her due date is in February. Last week LaShawnda began experiencing health challenges and as a result was admitted to the hospital. Since her admittance, it has been determined that it would be in the babies and her best interest to be on bed rest until the baby arrives. Baby and mom are in good health and doing well albeit a tad bored. With this news LaShawnda officially went out on medical leave this week. She will be out until the healthy arrival of her baby girl and her return from maternity leave sometime after March 2019. We wish you well LaShawnda!

In the interim we have submitted a request for a Field Director. Many of you may remember there was a field director prior to my arrival six years ago. Bright Horizons maintains a pool of talented center directors to assist centers in transition all over the country. Until we hear more from that department and one comes available, I will be taking on LaShawnda's role ☺ at JCCC Main. We have also asked our Education Coordinators to take on some of the programmatic pieces as well. It will definitely be a team effort to cover LaShawnda's absence!

If you have any questions or concerns, please be sure to reach out to me via phone, email or stopping by my office in building C. I currently have no plans for travel through the end of the year and outside of regional manager meetings, will be present at the center.

This is a good time to remind families of our contact information:
