SUPPLEMENTARY REGULATIONS

This event is governed by the 2018 General Competition Rules (GCR) and Category Specifications, as amended for 2018 per "FasTrack".

REGISTRATION: Drivers can register for the race online at www.motorsportreg.com. Drivers without internet access may request a paper entry form and mail it with their entry fees to the Chief Registrar:

Mary Shiloff, 7307 Dyke Road, Algonac, Michigan, 48001
Phone: 810-278-1708 Email: mshiloff@comcast.net

Make checks payable to **South Bend Region - SCCA**. A fee in the amount of \$25 will be charged for any check returned by the bank. If you sign in at registration and do not go thru, or pass, Tech, you must notify the Chief of Registration, **BEFORE YOU LEAVE THE TRACK**, in order to receive your refund. See cancellation policy below. Phone/fax entries will not be accepted.

At-event Registration will be held in the Registration building located at the main entrance to the raceway. Do not mail entries by any method that requires a signature upon delivery.

ENTRY FEES:

Early bird entry fee when paying by check (before June 30, 2018)	\$430.	(Your best value)
Early Bird entry fee when paying with credit card (before June 30, 2018)	\$450.	
Entry fee (after June 30, 2018)	\$530.	
Entry fee, 1 car-2 classes early bird paying by check (before June 30, 2018)	\$725.	
Entry fee, 1 car-2 classes early bird paying with credit card (before June 30, 2018)	\$760.	
Entry fee, 1 car-2 classes (after June 30, 2018)	\$830.	

Each SRF3, FE, FE2 and SM entry will be charged an additional \$20 compliance fee per entry for the weekend.

"FREE" FRIDAY PRACTICE: All early bird entrants (**received by June 30, 2018**) will have a free practice session Friday evening. Each session will be approximately 20 minutes and will run between 6:00 p.m. and 9:00 p.m. (see schedule for group times-they are **NOT** the same as race groups). The free practice is being sponsored by the South Bend and Detroit regions and administered by GingerMan Raceway. Late entrants will not be permitted to participate in the free practice.

ENTRY FEE PAYMENT: Drivers who complete their registration online, via the motorsportreg.com website, will have the option of paying by check/money order, or credit card, at the time of registration. Entry fee payments for online registrants not received by the Registrar by June 30, 2018 may result in a delay of processing your registration at the track.

Cancellation Fee Policy: A cancellation fee will not be assessed if the cancellation notice is made prior to the close of online registration at 11:59 p.m. on June 30, 2018. After online registration closes at 11:59 p.m. on June 30, 2018 there will be a \$50 cancellation fee assessed.

U.S. Majors Tour Express Registration: A dedicated line will be available for drivers holding a 2018 U.S. Majors Tour Series Registration Card. **U.S. Majors Tour Express Tech** will also be available at the base of the tower those cardholders that have a valid Annual Tech, 2018 Helmet sticker and no notations in their logbook. If eligible, you will only need to bring your logbook and completed tech form to Express Tech or to tech at the base of the tower to receive your event "tech" sticker.

AWARDS: Trophies for all races will be awarded in accordance with the GCR. Trophies will be presented at the event. Major's points will be awarded in accordance with the GCR. Trophies can be picked up at Driver Information.

DECALS: A U.S. Majors Tour decal must be displayed on both sides of all competition vehicles. Competition vehicles must also display the official Summit Racing Equipment SCCA Road Racing decal per GCR section 9.3.28.C. Stickers will be provided free of charge and may be obtained at registration and/or tech.

IMPOUND: Saturday races: The top three competitors in each class shall report to impound immediately following the completion of their race.

RACE LENGTH: Saturday races will be 22 laps or 40 minutes, whichever comes first. Sunday races will be 18 laps or 35 minutes, whichever comes first. Official clock will start when the green flag is shown. In the event of a "wave-off," the clock will still start.

SPEC MIATA COMPLIANCE: At the direction of the Class Compliance Chief at post-race inspection, Spec Miata participants may be directed to remove parts, specific but not limited to the cylinder head, for disassembly and/or inspection. Competitors are responsible for performing required disassembly and/or reassembly of their car, as well as any resulting expenses incurred.

VICTORY LAPS: Winners of all races will receive a checkered flag. For Saturday and Sunday, following the cool down lap, the winner of each class should proceed immediately to pit lane flag stand where they will receive a checkered flag and proceed on course for a single Victory Lap. Drivers need not wear their helmet or gloves during the victory lap. Passengers are permitted in accordance with GCR 6.11.7. Drivers shall maintain a safe speed and be wary of safety vehicles that may be on course.

PASSES: Each entry receives four (4) passes, including the driver and three crewmembers. Additional passes may be purchased at Registration for \$10 each. Workers, guests, & crew must sign for their own passes and must arrive while registration is open. For non-registered visitor daily passes may be purchased from GingerMan Raceway for \$10 per day. The entry fee also includes Saturday evening dinner passes for the driver and one crewmember. Additional dinner passes may be purchased for \$12 each.

SCCA members (non-participants) must present a valid membership card for admission. Workers and members are limited to one guest each. Worker license and membership card must be presented at registration. SCCA members, crew and guests who arrive outside of the posted hours of registration will be required to purchase a spectator pass to gain admission.

DRIVER ELIGIBILITY: Drivers must be a current member of the SCCA and hold a SCCA Full Competition license or SCCA Pro license to participate in this event. If you do not have the proper credentials it is your responsibility to contact the Registrar prior to the event.

CAR ELIGIBILITY: Competition is open to all cars conforming to the GCR, as amended. All cars are required to use fully operational AMB transponders, and the driver is responsible for providing correct information to Timing & Scoring.

PREFERRED NUMBERS: Every effort will be made to honor Conference Preferred Numbers until 14 days prior to the event. Due to the make-up of the run groups, however, this may not be possible in all situations. If two drivers holding the same Preferred Number request that number for the same run group, the number will be assigned to the driver with the earliest request.

TECH: All drivers without a current year helmet sticker must present all driver gear as required by the GCR, vehicle logbook, and completed tech card to Tech. **If your car requires an annual tech you must also bring the car to Tech. Contact Chief of Tech, Rod Markowicz, rodionjm@yahoo.com.** Tech will be located in the lower level of the Timing and Communications Tower.

EXPRESS TECH: Drivers with both a current annual tech and a current year helmet sticker may bring just their vehicle logbook and completed tech card to get their event stickers. Express tech will be located at the base of the tower.

SCALES: Will be available at Tech ½ hour after registration opens on Saturday and Sunday. Scales may be available for other participants during race impound, but priority will be given to impounded cars. Scales may be made available at other times at the discretion of the Chief of Tech.

EVENT SCHEDULE/RUN GROUPS: The event schedule or run groups may only be changed at the discretion of the Series Chief Steward, with concurrence by the Event Chair, depending on pre-race entry counts or as needed to accommodate situations that may be encountered during the event. If changes are made prior to the start of the event, as much notice as possible will be given to all affected competitors. The schedule as published is for planning purposes only. Actual session start times may deviate from the published schedule based on actual event progression. Listen to the PA system and pay attention to what is happening on track.

BLACK FLAG STATIONS: Black Flag Stations will be located at Turn #7 and the Starter's Stand. Drivers receiving a Black Flag will enter pit lane and proceed to the Black Flag station in front of the control tower.

GRID: Starting positions for the Saturday race will be determined by the fastest time recorded for each car during the Saturday qualifying session. Starting positions for the Sunday race will be determined by the fastest time recorded for each car during Sunday qualifying. Cars arriving at the grid after their group has been dispatched on track may, at the discretion of the Operating Steward, be held at pit out and released at the end of the pack after the field has completed their pace lap.

SEAMLESS QUALIFYING: Each race group will get their own qualifying session. But cars stranded off the racing surface will not be retrieved until the end of their Seamless Qualifying session.

QUALIFYING: A driver not qualifying within the maximum of 115% of the recognized track record of their class must obtain permission from the Race Director in order to race. In the case of unusual circumstances, the Race Director can waive this rule for the entire event. See chart below:

TIRE VENDOR: Hoosier Tire Midwest-Plymouth will be servicing this event. In order to provide you with the best service possible we ask that you place a tire reservation. This will ensure that we will have the tires on hand at the event. This year we will also have a drawing for 3-\$200 certificates. Make sure the stop by the trailer and fill out a ticket to be entered. The drawings will take place Saturday evening at the BBQ. To place a reservation or if you have any questions please feel free to contact us.

START/FINISH: The race will begin and end at the stripe in front of Timing and Scoring.

SPLIT STARTS: The Race Director will consider requests for split starts and may authorize split starts based on qualifying times. Requests must be received by 9:00 AM on July 7, 2018.

TIMED SESSIONS: The session clock will start when the first car crosses the start/finish line and will continue to run during all flag conditions with the exception of the red flag.

RADIO FREQUENCIES: South Bend Region operates on frequencies 151.625, 154.640, 154.600, 154.570. The repeater receives on 152.870 and transmits on 159.615. These frequencies may be monitored but shall not be used for communication by any participant. No other radio frequencies may be transmitted from the tower due to the interference caused with the official track frequencies.

SOUND CONTROL: A maximum limit of 103 dB is in effect for this event. For your information, sound readings will be taken between turns two and three and will be available in Driver Information.

DISABLED CARS: Disabled or damaged cars may be removed from the course and delivered to a central location. If the car has sustained body/chassis damage it will be released to the driver/crew after tech has made appropriate notations in the vehicle log book. Cars disabled due to a mechanical failure will be released to the driver/crew immediately. If the car requires wrecker support to return to its paddock location, there may be a delay depending on the availability of wreckers or flat tows.

CLOTHING: Closed toed shoes are required on the grid and over the wall on pit lane. Crew members on pit lane must display their event credentials at all times while on pit lane.

PIT LANE: Pit lane speed shall not exceed 40 mph. Violators may be penalized.

PACE/SAFETY CAR: In addition to GCR 6.6.2, the field shall follow the PACE/SAFETY car as long as its emergency lights are flashing, even if it varies from the normal racecourse. In the event a full course yellow results in dispatch of the safety car, the safety car will enter the racing surface at pit out.

INSURANCE: Participant insurance will be provided in at least the minimum amounts required by the SCCA.

RESULTS: Live timing will be available during the event. Unless otherwise announced, live timing will be available via the Race Monitor App available for iPhone and Android phones. Qualifying, provisional and final results will be available at Driver Information. Drivers may obtain a copy of the final results at the driver's information display located at the base of the tower. Additionally, final results will be posted to the region's and SCCA Majors websites no later than 7 days following the completion of the event.

DATA ACQUISITION: Majors staff and their delegates may install data acquisition equipment in a competitor's car. This program is to assist the CRB in performance balancing. If selected, participation is not optional and can not be protested. The data collected will not be used for compliance purposes.

LAST LAP INDICATOR: When possible, a "1 to Go" sign will be displayed at start/finish to indicate the last lap has begun.

SOCIAL EVENT: The Saturday evening party will be a BBQ dinner. This is for all workers/competitors and will start at the conclusion of activities on Saturday. Drivers will receive two tickets for the party; additional tickets are available for purchase.

Paddock: The paddock opens at 3:00 pm on Thursday. All parking is first come first served with the exception of 14 spots with electric hookup (for a fee) and those needed by race officials and vendors. Contact track management at management@gingermanraceway.com to reserve spots with electric hookups. All competitors parked in the main paddock must use "pull-in" parking. Racecars may be parked on the asphalt extension of the inner-loop of the main paddock as long as a two-way traffic pattern is retained. No parking is allowed on the asphalt in the grid area located north of the main paddock and south of the bathrooms. Parking regulations are hereby incorporated in these regulations by reference. Failure to follow the direction of the Paddock Marshal or her/his designate regarding paddock parking or activities may result in expulsion from the facilities.
