RECRUITMENT AT THE JCCC

Thank you for your interest in supporting the recruitment efforts of the Jeannette Cathy Children's Center. Your partnership is a valued piece of our programming; we appreciate the continued commitment you show by learning about our current staffing needs, and how you can share this need with friends, families and colleagues.

We are facing unprecedented challenges in the area of recruitment and talent sourcing. We are turning to as many creative ways as possible to open up the talent pool that we have available to us. This is where our parent partnerships come in.

With our reimagined approach to recruiting post pandemic, we understand that our focus should be flexible and include the many nontraditional candidates that are currently seeking work outside of their prepandemic fields. Bright Horizons has a tremendous number of resources and benefits that allow us to hire for attitude and learning potential. Our intentional coaching efforts will follow onboarding via classroom experience, ongoing professional development through hours of real and virtual trainings and higher education.

HORIZONS' DEGREE PROGRAM

Full time center & schools employees can earn their Associate or Bachelor's ECE degrees FREE through this program.

TUITION REIMBURSEMENT

Must be directly related to your current position. Reimbursement varies by full or part-time status and years of service.

Please join us every Tuesday for our Teacher Career Information Sessions. [Sign Up Now!](#)
