

**October 2019**

# Awesome Autumn!

THE ACADEMY at  
Manhattan Beach

**HAPPY  
BIRTHDAY**

Ava 10/8

June 10/13

Madeline &  
Henry 10/20

Akari &  
Cooper 10/26

Elle 10/27

Olive 10/29

With October here, we will be going over exciting topics including nighttime, fire safety, space and Halloween!

The first week, the children will be exploring outer space and discussing the different planets! We will read books about the moon, rockets, stars and astronauts. Children will learn about the different planets in Solar System as well as constellation that we can see in the night sky. They will make fun art projects such as a tin foil moon, an Earth craft and a starry night sky.

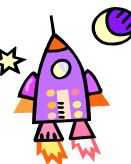

The children will learn about the solar system and how that revolves around our planets.

During the third week, the children will be discussing fire safety. The children will learn how to stop, drop and roll. They will learn fire safety terms and even learn how to dial 911 in case of an emergency. The children will make tissue paper fire art and a firefighter hat using a paper plate. They will even make fire slime out of just a few ingredients!

The last week will be all about Halloween! During this week, the

children will learn about trick-or-treating, costumes, and haunted houses! We will also discuss how to stay safe while trick-or-treating! They will be making a bat silhouette project, paper plate pumpkins and spider handprints with googly eyes!

**Sight Word Of  
The Month: Go**

Letter of  
the Week:

9/3-10/4	E
10/7-10/11	F
10/14-10/18	G
10/21-10/25	H
10/28-11/1	I
