1. Transfer the amount specified above in dollars to the recipient account: P1011000251
In the payeer system:
* Click at transfer:
* Enter P1011000251
* **IMPORTANT!!! In the comments, provide ONLY the e-mail address that you use in the back office!**
(providing redundant data will result in a returned payment!)
* The commission is paid by the sender

2. Attention! The accounts for receiving funds are changed occasionally!
Resending funds without checking the transfer details is prohibited and can lead to losing your money (we are not responsible for that). Start the procedure of adding funds via payeer from this page next time.

3. In case of an overpaid or underpaid amount, the payment will not be credited to the main account in the back office!

4. Make a screenshot of the transfer or keep the receipt until you get credit of funds confirmation.

5. After making the transfer, click "I HAVE ALREADY PAID"

You don't need to send any additional data! After clicking "I HAVE ALREADY PAID", you confirm successful transfer via payeer, after that we credit the payment to the main account in the back office.
