

About us.

The CYC has long fostered a passion for the sea for adults and children alike. The Club's Junior Sailing classes are open to children of members and non-members, ages 7 to 17, using the CYC's Vanguard Prams, Optimists, and Sonar keel boats. Classes are designed to give students knowledge and confidence at each level and progress to more advanced sessions during the season.

THANK YOU

For choosing the CYC of
Marblehead for junior sailing
classes this summer!

CYC JR. SAIL

2023

Marblehead, Ma

Testimonials

"The CYC Jr. Sailing Program is generating young sailors with skill sets that are far superior to other sailors in the same stage. You create a passion for sailing! Thank you for introducing our son to this life time sport and giving him the best foundation to build on!"

"Thanks for being so welcoming and so effective at drawing our daughter out. She had a blast and learned and grew on many fronts."

"We can't speak highly enough about this program, the director, and the instructors. What a great way for our children to learn how to improve their sailing skills. (We started with prams and went through Opti Race Team)."
