# MARCH

Green Room

Ms. Kim and Ms. Vanesa

CHALK Preschool Westwood

## March at a Glance

Hello Green Room Families,

We are so excited for a fun month of learning in March!

In the first week of March, we will be learning about the weather. We will be talking about snow, rain, clouds, wind and the sun. The children will do fun weather observations this week, stay tuned for the results!

During the second week of March, we will be talking about St. Patrick's Day, and all the festivities that come with it! The children will create "gold coins" out of play-doh, paint a Pot O' Gold at the end of a rainbow and more.

By week three we will spring into Spring! We will be learning about rain, butterflies, flowers, ladybugs and dirt. The children will practice name recognition with name flowers, and paint with soil.

During week four, we will be learning about ponds and wetlands. The class will learn about ducks, crocodiles, frogs and other amphibians! The children will practice counting using ducks and herons, and make a crocodile mask!

Lets have a fantastic March Green Room Families!

## Reminders

- Please remember to bring in a pack of wipes monthly

## Letter of the Week

3/04 - 3/08: Xx

3/11 - 3/15: Yy

3/18 - 3/22: Zz
