Star of the Week: Victoria

Week 3: Wetlands/Pond

Letter of the Week: Cc

Star of the Week: Levi

Week 4: Spring

Letter of the Week: Dd

Star of the Week: Emme

I am so excited to teach and work with your kiddos in the Orange Room! This month we will be exploring our theme, "Once Upon a Time."

To kick off this month, we will be learning all about nursery rhymes and fairy tales. We have so many fun activities planned including a Humpty Dumpty egg drop experiment and making a paper basket for "Little Red Riding Hood."

For the second week, we will be learning all

about St. Patrick's Day festivities! We will be making rainbow music shakers, shamrocks using cupcake liners, and doing a rainbow experiment using Skittles!

For the third week, we will be learning about Wetlands/Pond areas! We will be making turtles using hearts, playing a game of "Crocodile, Crocodile", which focuses on comparing bigger and smaller numbers, and building dams using popsicle sticks!

For the last week of March, we will be exploring Springtime. We will be sequencing the water cycle, making kite sun catchers, and sorting flowers by size and color!

This month, we will be focusing on writing our names, tracing, and sorting items based on similarities and differences. I am excited to challenge your kiddos and if you have any questions or anything you'd like me to focus on with your kiddo, please let me know!

FAMILY FUN IDEAS!

- Go to the Irvine Regional Park and feed the ducks!
- Cook a traditional Irish meal together for St. Patrick's Day!
- Go on a drive or to the store and find all the green things for St. Patrick's Day!
- Go to the library and check out nursery rhyme and fairy tale books!
