FRANKLIN, Ind. – Are you planning a family road trip over fall break? Let our librarians put together a collection of books and other library materials for your family to enjoy while on vacation.

Fill out the online form to request materials for your children to take with them when they travel. Tell us a little bit about your child's interests and our librarians will create a collection of materials specifically for your child, all packaged together in an easy to carry tote bag.

Travel kits include books, audiobooks, magazines, DVDs and CDs. Taking your tablet with you when you travel? We can also provide a personalized list of recommended e-books, e-audiobooks and more for checkout from Hoopla, Cloud Library, Zinio and OneClickDigital.
