CENTER HAPPENINGS—Gemorial Johnson, Center Director JCCC Lincoln

- Reminded everyone about the updated Parent Representative List which was sent out via email and is posted on the Center Website.
 - There are still openings for several classes so, if you are interesting in serving, please speak to Marcia Riggins, Office Manager at JCCC Lincoln.
- Optional Parent Requested Conferences will be held October 8th to October 12th. Please email jcccparentconference@gmail.com with several times between the hours of 9:30-12:00 and 2:00-3:00 daily if you are interested. These conferences will be with your child's current primary teacher.
- Sympathy card stations will be set up at both JCCC Main and JCCC Lincoln for Stephanie Bierria following the death of her husband. These stations are now up at both campuses. We hope that these cards will help support and lift up the Bierria family in the days to come.
- We would like to remind all of our parents about a few key policies at JCCC:
 - If you have an infant and older child enrolled at JCCC, please drop the older child off first and then the infant. Older children may not sit outside the classroom unattended while the infant is being dropped off.
 - Additionally, according to State Childcare Licensing and the State of Georgia, it is unlawful to leave children in a vehicle unattended, even with the vehicle running.
 - We thank you all for your continued cooperation in keeping the children at JCCC safe and secure.
