Regarding Information session tree felling
Buitenveldert

Dear residents, traders,

For the renewal of the Amstelveen Line (tram 51) – which turns it into a premium tram connection between Westwijk and Amsterdam South – our main contractor VITAL will start doing the necessary work in Buitenveldert in early 2019. In order to create room for, amongst other things, building a new tram stop at A.J. Ernststraat, ten trees need to be felled, between the A.J. Ernststraat and De Boelelaan/VU stops. We expect to do the felling in the week starting 10 December, during two nights when the trams do not run. This will cause inconvenience in terms of noise and the ability to use the road.

Information session tree felling

We would like to update you about all this work. You are most welcome to come and see us on Wednesday 28 November between 14.00 and 16.00 hours, on the green at Buitenveldertselaan opposite number 17.

Finding us will be easy, thanks to our mobile 'coffee van', a vintage Citroën 2CV AK400 from 1974 (see photo on the next page), where we will treat you to coffee or tea and a little snack.

Unable to attend on the 28th? You can find more information about the tree felling on our website.

Any questions?

Please check www.amstelveenlijn.nl, e-mail us at info@amstelveenlijn.nl or call 020 - 470 4070 (24/7). Or come and talk to us on Wednesday afternoons between 12.00 and 17.00 hours, at the 'Amstelveen InZicht' centre, Stadsplein 103, second floor, above the library.

Special 'guest' during our information session on Wednesday 28 November: a Citroën 2CV coffee van!

Kind regards,
