

# DECEMBER 15, 2020

## 7:00 PM - 8:30 PM

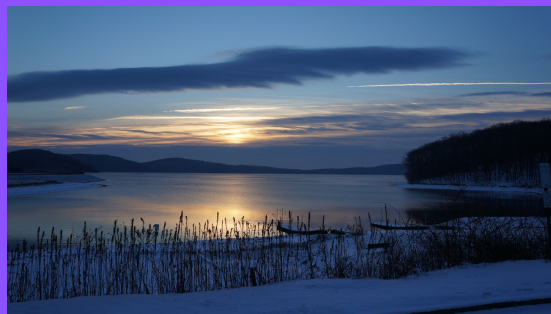

### *Faith Forum 2020 presents* *An Advent Evening of Reflection*

*Featuring*  
*Colleen Moore*

Colleen Moore is the director of formation for the University of Notre Dame McGrath Institute for Church Life and program director for Echo, a two-year graduate service learning program that partners with dioceses across the country to train the next generation of leaders in faith formation and theological education in Catholic parishes and schools. Colleen previously served as the assistant and associate director for Echo, as an assistant rector and coordinator of the Mexico Seminar for Notre Dame undergraduate students and as a lay associate of the Congregation of Holy Cross in Chile, serving in parish ministries and community organizing efforts.

Colleen's primary interests lie in integrative approaches to theology and ministry formation and at the intersection of spiritual formation, justice and art.

*Join New England catechetical leaders and catechists for an evening of prayer and reflection. The season of Advent often goes by in a blur for many of us even though it is designed by the Church to be a period of quiet anticipation. Colleen will give us the space and time to listen, reflect and pray. Don't miss out on this opportunity for self-care and much needed contemplative time.*
