

April 2019

Blue Room
Ms. Marissa
&
Ms. Erika

Once Upon a Time...

Spring has arrived at The Academy! The first week of April we will be learning all about butterflies and caterpillars. We will have caterpillars in our classroom, and we will observe them as they grow and change. We will read The Very Hungry Caterpillar and make guesses about what colors our butterflies will be.

The second week of April we will be learning about our favorite book authors. We will be reading Brown Bear Brown Bear and Llama Llama Red Pajama! During art the children will paint a giant bear brown, and our own red pajamas, just like Baby Llama's.

The third week of April is Spring Break! Have a fun and safe holiday.

When we come back to school, we will be celebrating the holidays of Easter and Passover. We will decorate eggs, go on an egg hunt, and make Seder plates. The children will also get to try matzos and make charoset, a special Passover treat!

On our last week of April we will be learning about the weather. We will be observing the weather during circle time and singing the Weather Song. The children will be matching letters and numbers to rainbows, clouds, raindrops and suns. We will also be observing a Tornado in a jar!

Get ready for a fun and busy month!
