

Instructor Cup – Race Details

October 25, 2025 – Buttonwillow Raceway Park

Race Format

- 6-lap sprint race
 - The race will be shortened to 4-laps if the slowest qualifier's lap time is not within 125% of the fastest qualifier for safety purposes.
- Scheduled for Race 6 Saturday
 - The race will be shortened to a 4-lap sprint race if time is running short in the schedule
- One wave start (experts and novices combined)
- Grid positions based on practice times
 - Racers who do not complete practice times will be gridded based on signup date, with heavyweight bikes being gridded ahead of other for safety purposes.
- Racers will select which track-day provider they want to represent (Carters, Z2, PTT, FTD)

Rider Eligibility

- Must hold or have previously held an AFM race license
- Riders without a current license may purchase a \$75 Single Event License
- Riders may purchase optional practice sessions (full or half-day)
- Race entry fee will be comparable to other race entries

Motorcycle Eligibility

- No displacement restrictions or bike modification restrictions
- All motorcycles must meet full AFM technical inspection requirements (same as other races/practice)

Scoring

- Standard AFM points structure
- Results counted toward team totals for track-day provider representation. Whichever track-day provider's representatives have the most cumulative points will be the winner of the race. Not necessarily the first racers to cross the finish line.
