21st Century Scholars
www.scholars.in.gov
The 21st Century Scholars Program increases the college aspirations of low-to-moderate-income students. Income-eligible students must sign up in 7th or 8th grade and make a good citizenship pledge. Students who fulfill their pledge, enroll in an eligible college or university, and complete a FASFA and Scholars affirmation by March 10th of the year they plan to go to college, are guaranteed the cost of four years of college tuition at any participating public college or university in Indiana. If the student attends a private college, the state will award an amount comparable to a public college.

GEAR UP Summer Scholarship: This scholarship pays up to \$3,000 for summer school books, tuition, and fees for eligible 21st Century Scholars. If the Scholar stays on campus, the scholarship will cover room and board as well.

State-funded Financial Aid Programs

Frank O'Bannon Grant Program

The Frank O'Bannon Grant Program is a non-repayable grant based upon need. To be considered for this grant, students must be an Indiana resident and plan on attending an approved Indiana institution of higher education as a full-time student.

Summer Indiana Work-Study Program

This program is for students who have received and used a Frank O'Bannon Grant and want summer employment.

Hoosier Scholar Award

The Hoosier Scholar Award is a \$500 non-renewable award. The award is given the first semester of the freshman year in college. The award is based on academic merit and may be used for any educational expense. To be eligible for the award, their student must be an Indiana resident, rank in the top 20% of the high school graduating class and plan to attend an approved Indiana institution of higher education as a full-time student.

Nursing Scholarship

Based on a student's financial need, nursing scholarships up to \$5,000 per year are available for full- or part-time enrolled nursing students. To receive the awards, applicants must agree to work as nurses in Indiana for two years after graduation.

Minority Teacher/Special Education Services Scholarship

Award amounts up to \$1,000 annually (or up to \$4,000 annually based on financial need) are available to full-time enrolled, minority students studying to become Indiana teachers. Students must maintain a 2.0 GPA to receive and continued renewal of the scholarship.

Robert C. Byrd Honors Scholarship

This is a federally funded merit-based program that awards a maximum of \$1,500 to students. To be eligible, a student must receive a SAT score of 1300 or higher, an ACT composite score of 29, or earn an average standard score of 620 on the GED. This scholarship may be used to

attend any qualifying institution in the U.S., and is renewable if the student maintains a satisfactory standing at the college of their choice.

Indiana National Guard Supplemental Grant

This grant guarantees up to 100% of certain tuition costs will be met by the State of Indiana for eligible members of the Indiana Air and Army National Guard. The National Guard Supplemental Grant covers only certain tuition charges and does not cover other expenses such as room, board and textbooks. It is subject to available funds.

Students must be certified by both the State Student Assistance Commission of Indiana (SSACI) and the Indiana National Guard (NG) and attend a state funded college or university such as Ball State University, Indiana State University, Indiana University, Ivy Tech State College, Purdue University, University of Southern Indiana and Vincennes University. The money may not be used for summer school.

Vocational Rehabilitation Education Assistance

Indiana Rehabilitation Services provide educational assistance to eligible Indiana residents through the Vocational Rehabilitation Division. The Student Financial Assistance Office will coordinate this assistance with other types of aid which may be available. Students should contact the Vocational Rehabilitation Division Office in their region if they think they might qualify for rehabilitative services. Vocational Rehabilitation is listed under "Family and Social Services" in the State Offices section of the phone book.

Student Loans and Federal Grants

The Indiana Secondary Market for Education Loans

has been around since 1980 to help thousands of students and families pay for college with affordable loans.

The Indiana Secondary Market was set up to encourage postsecondary education participation by making college more affordable, enabling students and families to save thousands of dollars on their lower-cost loans.

Federal Pell Grants: A Federal Pell Grant, unlike a loan, does not have to be repaid. Generally, Pell Grants are awarded only to undergraduate students who have not earned a bachelor's or professional degree (A professional degree is usually earned after earning a bachelor's degree in a field such as medicine, law, or dentistry). In some cases, you might receive a Pell Grant for attending a post-baccalaureate teacher certificate program.

www.fafsa.ed.gov

Federal Supplemental Educational Opportunity Grants: An FSEOG is for undergraduates with exceptional financial need—that is, students with the lowest EFCs. Priority is given to students who receive Federal Pell Grants. An FSEOG doesn't have to be paid back. The amount awarded is between \$100 and \$4,000 a year, depending on when you apply, your need, the funding level of

the school you're attending, and the policies of the financial aid office where you attend school.

Federal Perkins Loans: A Federal Perkins Loan is a low-interest loan for both undergraduate and graduate students with financial need. Your school is your lender. The loan is made with government funds, and your school contributes a share. You must repay this loan to your school, not to us. The amount allowed to borrow is \$4,000 per year of school.

Federal Stafford Loans: Direct and FFEL Stafford Loans have variable interest rates (unlike Federal Perkins Loans) and are for both undergraduate and graduate students. The loans you receive will be either subsidized or unsubsidized.

- A **subsidized** loan is awarded on the basis of financial need. You won't be charged any interest before you begin repayment or during deferment periods. The federal government "subsidizes" the interest during these periods.

- An **unsubsidized** loan is not awarded on the basis of need. You'll be charged interest from the time the loan is disbursed until it's paid in full. If you allow the interest to accrue (accumulate) while you're in school or during other periods of nonpayment, it will be capitalized. This means the interest will be added to the principal amount of your loan, and additional interest will be based on that higher amount.

Federal PLUS Loans are unsubsidized loans made to parents. If you are independent or your parents cannot get a PLUS loan, you are eligible to borrow additional Stafford Loan funds. The interest rate is variable, but never exceeds 9 percent.
