UN'EVOLUZIONE LUNGA OLTRE 100 ANNI

La nostra storia comincia a Napoli agli inizi del '900. È una storia di impegno, di evoluzione, di coraggio. Una storia che corre lungo il filo del tempo intrecciandosi costantemente con quella del vetro. Generazione dopo generazione, FAN Europe Lighting evolve, cambia forma, sviluppa la sua idea di prodotto e di servizio, con l'obiettivo di diventare un punto di riferimento per tutto il settore dell'illuminazione.

LA NOSTRA AZIENDA, OGGI

Oggi FAN Europe Lighting è una grande squadra di persone e di risorse. Alla ricerca dell'eccellenza nella qualità dei prodotti, abbiniamo un ecosistema di servizi e garanzie che abbiamo sviluppato e strutturato a misura di esigenza e di cliente.

La nostra voglia di crescere ci spinge ad essere sempre al passo con la luce di oggi e di domani, una luce sempre più smart, sempre più green, sempre in evoluzione.

AN EVOLUTION SPANNING MORE THAN 100 YEARS

Our history began in Naples in the early 1900s.
It's a history of commitment, evolution and courage.
A history that follows the thread of time, constantly intertwining with that of glass.
Generation after generation, **FAN Europe Lighting** has evolved, changing shape, developing its concept of products and services to become a benchmark for the entire lighting industry.

OUR COMPANY TODAY

Today, **FAN Europe Lighting** is a vast team of people and resources. In addition to pursuing excellence in product quality, we combine an ecosystem of services and guarantees, which we have developed and tailored to our customers' needs.
Our Italian heritage does not allow us to forget the importance of originality and product care.
Our desire to grow motivates us to always keep up with the lighting of today and tomorrow, lighting that is always smarter, more eco-friendly and evolving.
