

# Spring

# March

Yellow Room

Ms. Viviana and Ms. Diana

Wow it's March already! Hello spring we are ready for some sun. Last month was a busy month as we celebrated Valentine's Day. Will Yellow Room be able to catch that sneaky leprechaun this month?

To begin this month we will learn about animals that live in the wetlands and ponds. For

literacy we will be identifying our letters uppercase and lowercase. We will also be practicing our letter sounds with an activity in the sensory bin where children will pick a letter and try to say the sound. For math we will practice counting to twenty and tracing our numbers. We will even do a science experiment to learn about animals who live in salt water vs. fresh water.

The second week is all about St. Patrick's Day, Easter and Passover. All week we will

be on the look out to catch that sneaky Leprechaun! We will identify the letter of the week using our sensory bin filled with green rice and gold coins. We will also trace our numbers on shamrocks, paint using plastic eggs and make a carrot using our footprint!

The third week we will talk about spring. We will learn all about different types of flowers. For literacy we will make a garden using our name. For math we will learn about the different parts of a flower. We will also work on a science experiment to explain rain using water, food coloring and shaving cream. For art we will paint using real flowers as well as make a flower sun catcher.

To finish the month off we will learn about different types of Weather.

We will focus on clouds, tornadoes and snow storms. For literacy we will work on words that rhyme. We will read a short story out loud and identify the words that rhyme related to our theme. We will also conduct a science experiment and create a tornado in a jar. We will use vinegar, water, and dish soap to make our tornado. For art we will paint using snow! We will use salt, flour and water.

## Star of the Week

- 3/4-3/8 Gigi
- 3/11-3/15 Camden
- 3/18-3/22 Knox B
- 3/25-3/29 Beau

## Letter of the Week

- 3/4-3/8 Xx
- 3/11-3/15 Yy
- 3/18-3/22 Zz
- 3/25-3/29 Aa

## Happy Birthday !

Ms. Viviana 3/11

## Reminders

- Please remember to sing in/out
- March 5th Mardi Gras
- March 10 Daylight Saving Time begins
- March 17 St. Patrick's Day
- March 20 First Day of Spring

Family Night—March 13th  
5:30—7:00

Spring Break—Closed April 1-5
