## ABOUT ME

Hi there, I'm Dominique! I love laughing and surrounding myself with people who have growth mindsets because I am eager to flourish and elevate others. Growing up in a diverse community near Seattle Washington, I have always had an open mind in understanding differences in others and how we can come together to educate ourselves and see the beauty in diversity. I aspire to make a welcoming environment that encourages growth in craft as well as character.

## EXPERIENCE

### Dance Camp Choreographer

*Elite Performance Dance Camps (EPDC) 2019-2023*
