Experience

Lehrer Architects Internship Spring 2021

Silverlake Los Angeles, CA - Remote and In-Person

Participated in all phases of the architectural design process, from Schematic Design to Construction Administration. Provided Project Managers with adequate drawings, renderings, and models. Assisted with a number of housing projects as well as recreation centers, pools, and academic facilities.

Jacuzzi Sponsored Project , Art Center College of Design Summer 2021

Los Angeles, CA - Remote

Designed a new brand strategy targeting the upcoming generation, developed graphics, exhibition spaces, and new product development, and involved with the design development, research and brand strategy aspects.

EdTech Assistant , Art Center College of Design Fall 2021 - Spring 2022

Pasadena Los Angeles, CA - In Person

Assisted hybrid learning classes involving in-person students and remote learning students.

Product Design Sewing Manufacturing Intensive , Art Center College of Design Summer 2022

Downtown Los Angeles, CA - In Person

Completed a 2 week intensive of designing and curating a leather purse and shoe, as well as experienced the manufacturing process behind industry sewing and shoe manufacturing.

CMF_X Sponsored Projects Intensive for GM Cadillac, Hoka One One, Adobe Summer 2022

Art Center College of Design

Los Angeles, CA - In Person

A 13-week intensive involving a fully immersive course learning CMF for product design, transportation design, and within the metaverse. We worked a full 6 days a week to learn CMF through courses such as Adobe Substance, Material Science, and Business. We worked with Adobe, Hoka One One, and GM's Cadillac as our sponsors.

Teacher's Assistant , Art Center College of Design Fall 2022

Pasadena Los Angeles, CA - In Person

Assisted Professor Kimberly Marte with Intro to CMF for Product Design. Assisted with teaching basics of CMF, critiqued student's work and gave constructive feedback and communication throughout the class.

Volunteer

National Charity League

2013-2019

Board Member positions: Historian 2013-2014, Corresponding Secretary

2017-2018

This philanthropic organization fosters the mother-daughter relationship through community service, leadership development, and cultural experiences. I have volunteered at Armory Center for the Arts, Huntington Memorial Hospital, LAC-USC programs, Main Street Attraction thrift shop, and many others.
