READY for SCHOOL

Bright Horizons® READY for SCHOOL preschool program is filled with investigation, exploration, and discovery, where active and enthusiastic children can refine and expand their skills and knowledge. Through intentional teaching practices, purposefully-designed learning environments, and enriched activities, teachers ensure preschoolers have joyful, appropriate, and meaningful learning experiences that lead to success in school and in life.

Our World at Their Fingertips® curriculum aligns preschool program goals and practices with families' expectations of educational excellence, helping young learners grow into confident students.
