Click  
Quizzes

Click the toggle next to “Make this a quiz”

Once that is turned on, you can scroll down to decide what restrictions you would like to place on the quiz.

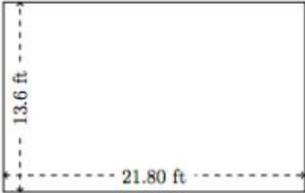

Once the form is turned into a quiz. Upon clicking on a question, you will see a blue “Answer Key” appear in the bottom left corner.

Click to set up answer key!

List correct answer(s):

#1 0 points

Add a correct answer

Mark all other answers incorrect

 [Add answer feedback](#)

[Done](#)

In the Answer Key, you can assign points to each question...

And provide specific feedback for both correct and incorrect answers.
