

TODDLER PROGRAM

Bright Horizons® toddler program boosts excitement about learning. Here, you'll find care you can count on, with industry-leading health and safety policies, *Discovery Driven Learning™*, and joyful, kid-friendly spaces that allow young learners to safely test limits and explore.

Individualized Care Focused on the Whole Child

Program highlights include:

- Support for newfound independence, language, and social skills
- A focus on individual growth and making choices
- Learning centers that encourage language and reading, fine motor skills, math, art, dramatic play, science, and outdoor learning
- A relaxed environment to foster individual development and self-help skills
- Safety, security, and cleanliness practices that meet or exceed all state, local, and national guidelines

Early Education that Nurtures Independence

Our *World at Their Fingertips®* curriculum includes seven Signature Practices to stimulate early learning:

- **Maximizing Prime Times:** One-on-one interactions to build relationships and important social skills
- **Fostering Language Development:** Rich conversations and storytelling encourage thinking, speaking, and comprehension
- **Daily Sensory Experiences:** Calming hands-on experiences supports emotional wellness
- **Small Group Approach:** Small groups for individualized attention and positive social interactions
- **Building Self-Help Skills:** Encouragement to learn daily tasks and routines at each child's own pace
- **Exploring Cause & Effect:** Opportunities to learn by asking questions, experimenting, finding answers, and testing results
- **Daily Outdoor Experiences:** Time to explore new sights, sounds, smells, and textures
