2022 Pablo Vittar - Tour Visual Content - February - June
Creative Assistant
In this project, my team at Lit Creative and I collaborated with Pablo Vittar's creative team to produce his 2022 tour visuals and lighting design. Delivering different creative decks to pitch the exact concept they wanted. The lighting and video content's first showing will be during Coachella 2022.

2022 Diplo - Stage Design and Video Content Package - October-March
Creative Producer's Assistant
Diplo is an electronic DJ and musician. Since October we have been trying to curate the perfect show for Diplo. Working through many stage design ideas and different tour visuals. My role in Lit Creative was to put together various decks, pitches, and budgets to deliver his dream stage.

2022-2021 Aluna - "Forget About Me" Music Video - October-January
Creative Producer's Assistant, Treatment Designer
Aluna wanted a music video that contained an escape room in augmented reality using computer graphics visuals. Lit Creative produce the idea from start to execution. My role was to gather the concept from the artist and producer to create the film's treatment. Then produce the overall production.
