The Annual Labor Day Weekend Event at Waterford Hills

Saturday, September 2, 2017

This is an open event for ALL CARS and ALL SAFE drivers. We intend this to be a fun, enjoyable, educational day at the track where you can drive at your car's potential, and improve your driving skills. In this non-competitive event, we will give the maximum track time possible, rain or shine. Cars will be grouped by performance potential and drivers' track experience. This is not a race.

Tentative Schedule:

10:00 am First Drivers' Session Begins

Remember, this is a non-competitive event - no wheel-to-wheel driving!! You may be warned or dismissed for spinning, leaving the track surface, wheel-to-wheel driving or otherwise endangering yourself or others. Any car-to-car contact is grounds for expulsion from the event. Any damage incurred to the track will be the responsibility of the driver(s) involved. We intend this to be a safe and fun event. This is not a race.

Ferrari Club members: If we get enough of you registered, we will set up a Ferrari-specific run group this year!
