

## **Profile Student AFS 2021**

Musica, Impulse Centre for Music, is an organisation with (inter)national scope.

Musica inspires a conscious and adventurous way of experiencing sound and music. From the professional arts we build bridges to the welfare sector, education and the broad socio-cultural field. With our finger on the pulse of society we strive for quality musical participation for everyone, regardless of age, culture or social background.

### **In the exchange project through AFS, we offer an internship for a volunteer**

The volunteer will be involved in a wide variety of activities. The different tasks will be presented at the start of the programme. Your tasks as a volunteer depends strongly on your background, in general you can expect to help out with practical tasks in the daily functioning of the organisation. This is a varied package with emphasis on **public outreach** in a broad sense. You will be part of a professional team that will guide you in the following tasks:

- Logistical and production support for various projects at Musica and on location (transport, catering, materials, technique, ...).
- Support in informing internal and external employees who are involved in the realisation of the projects.
- Support with the communication on different projects (social media, blog and vlog) and promotional campaigns.
