WORK EXPERIENCE

09.19 – 04.22
ArtCenter College of Design | Pasadena, CA
Teaching Assistant
Assisted Elaine Alderette, Ara Devejian, Ko Maruyama, Jeffrey Smith, Joshua Holzmann and Cole Case in classes that cover sequential design, 3D animation, editorial illustration, and design fundamentals. Aiding setup, administration, and lectures by taking attendance, checking homework, giving critiques, and consolidating class resources.

05.21 – 09.21
Plucky | Burbank, CA
Design and Animation Intern
Assisted designers and animators to pitch, design and animate main titles, main-on-ends, end crawls, and visual effects for movies, TV shows and related promotional materials. Worked on projects from clients including Netflix, HBO Max, Lionsgate, and the Oprah Winfrey Network, meeting fast turnaround deadlines.

LEADERSHIP EXPERIENCE

ArtCenter College of Design

09.19 – Current
Orientation Leader
Developed an online welcome and orientation process for incoming students. Spoke at student panels to over 150 people, an international panel to over 50 people, and leadership workshops to twenty new students.

06.21 – Current
Peer Coach
Coached early-term students to help with skill-building, projects, presentations, critiques, and class planning. Shared resources, personal knowledge and experience to aid with their academic success.

01.21 – Current
Student Government Director of Information
Maintained active communication between ArtCenter Student Government (ACSG) and the school administration, faculty, and student body. Coordinated, scheduled and documented ACSG meetings, events and projects.

FOCUSED COURSEWORK AT ARTCENTER — SOCIAL IMPACT

Under Current | In partnership with J. Craig Venter Institute
Illustrated a comic investigating the interconnectivity of deep-sea ecosystems (particularly whale falls, whaling practices, and its human impact). Extracted multiple creative directions from scientific concepts and generated graphic notes on lectures about symbiotic relationships within different ecosystems.

Let's Talk About Ending HPV | In partnership with Cedars Sinai
Worked with the Community Advisory Board to create an inclusive transmedia campaign educating and encouraging HPV vaccinations to prevent cancer amongst LGBT+ youth. Collaborated within a transdisciplinary team to synthesize online and on-site research data to come up with solutions and deliverables.
