**Payeer**  
Commission fee 0.00 \$ (0%)  
Crediting period up to 2 business days

1. Transfer the amount specified above in dollars to the recipient account: P1011000251  
In the payeer system:  
\* Click «transfer»  
\* Enter P1011000251  
\* **IMPORTANT!!!** In the comments, provide ONLY the e-mail address that you use in the back office! (providing redundant data will result in a returned payment!)  
\* The commission is paid by the sender

2. Attention! The accounts for receiving funds are changed occasionally!  
Resending funds without checking the transfer details is prohibited and can lead to losing your money (we are not responsible for that). Start the procedure of adding funds via payeer from this page next time.

3. In case of an overpaid or underpaid amount, the payment will not be credited to the main account in the back office!

4. Make a screenshot of the transfer or keep the receipt until you get credit of funds confirmation.

5. After making the transfer, click "I HAVE ALREADY PAID"

You don't need to send any additional data! After clicking "I HAVE ALREADY PAID", you confirm successful transfer via payeer, after that we credit the payment to the main account in the back office.

It's been 24 hours but the money still hasn't been credited in the back office?  
Contact technical support and provide the following details:  
1) First and last names  
2) Phone number  
3) Email  
4) Transfer amount  
5) Transfer method: Payeer  
6) Transfer date and time  
7) Transfer screenshot made at step 4  
8) Screenshot of your main account balance in the back office

I accept the conditions of the main account replenishment by means of Payeer

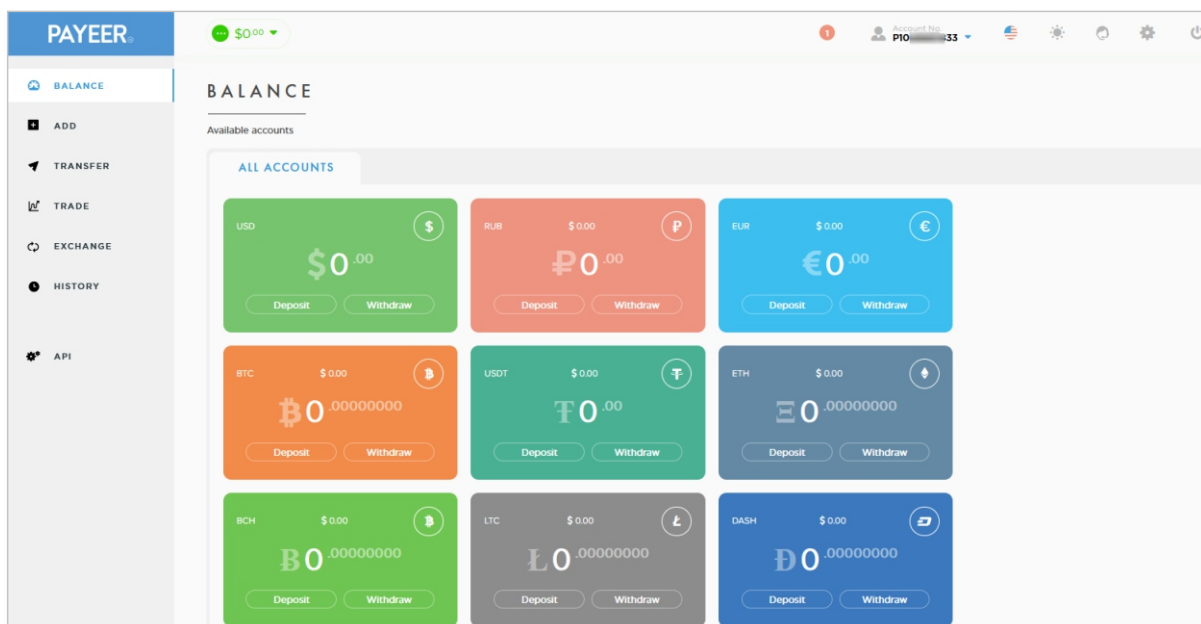

**Please note!** This method of adding funds to your account is not instant, the money will be credited to your account within 2 business days.

## 2. ADDING FUNDS TO YOUR PAYEER ACCOUNT

Go to the **PAYEER** payment system website <https://payeer.com/>

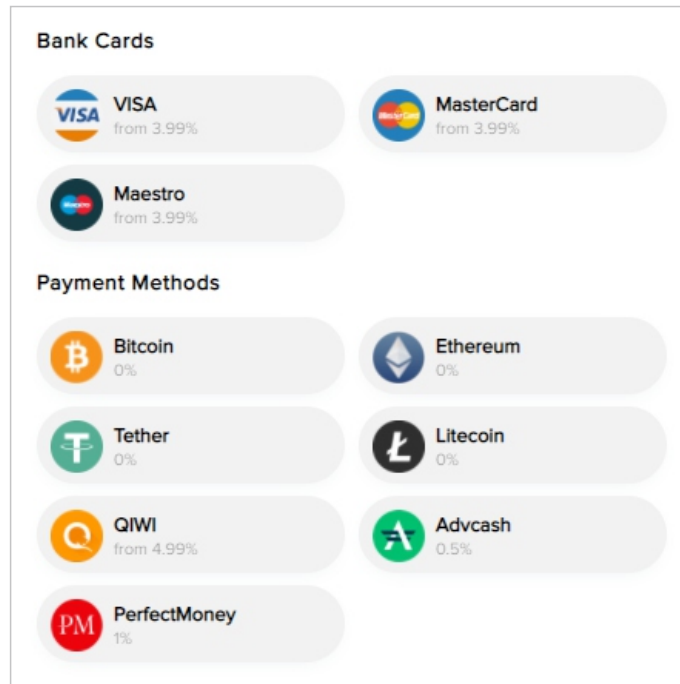

If you already have a **PAYEER**, wallet, you can immediately proceed to payment.

If you are not a user of the payment system, you need to register, the registration procedure is described in the appendix to this manual.

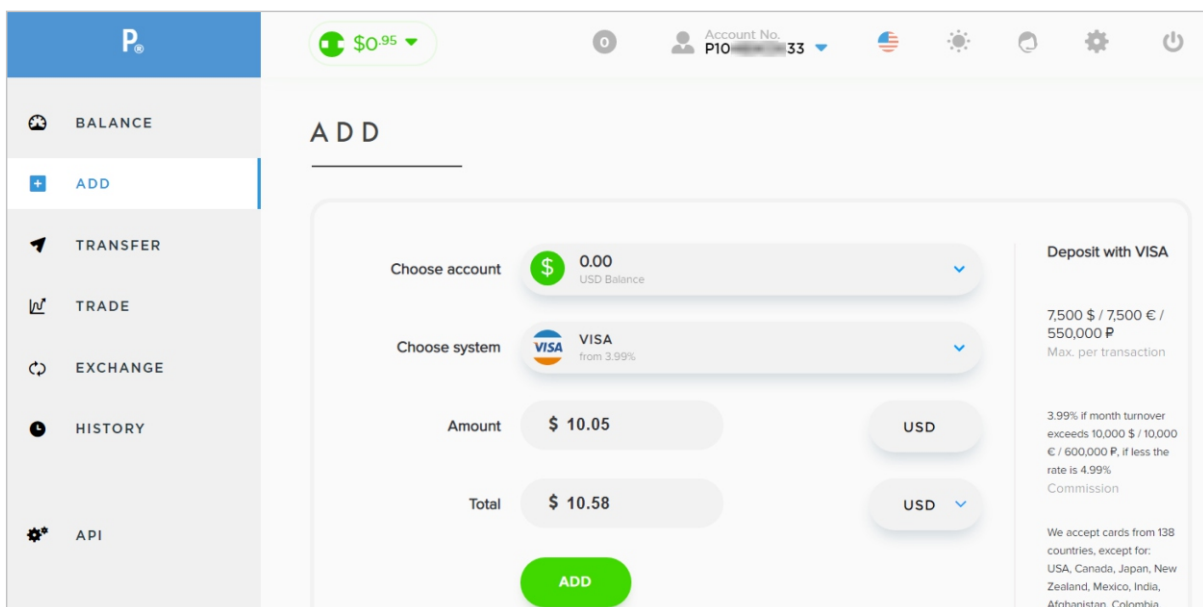

If there are no funds in your account or they are not sufficient, add funds to your account using any available method.

Available ways to add funds to a dollar account:

Example of adding funds to your wallet on **PAYEER.COM** with a bank card:

- Enter the amount to add, **taking into account the commission** for the transfer between the PAYEER accounts + 0,5% and click "**Add funds**".

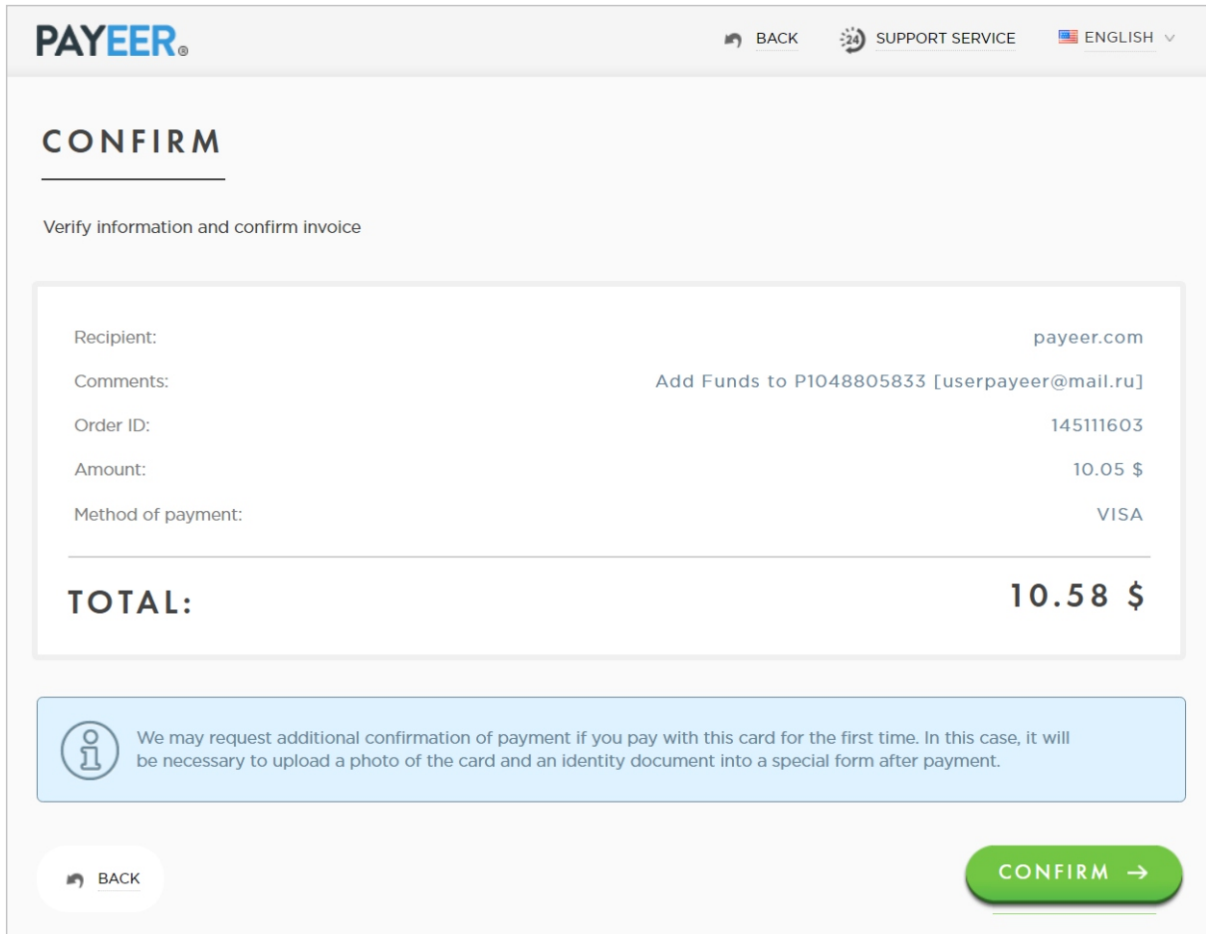

- Check the replenishment amount and click "**Confirm**".
