

Discover the Joys of Learning at

Bernice E. Lavin Early Childhood Education Center

At **Bright Horizons®**, your child will be cared for in a loving and nurturing environment by experienced and dedicated teachers. Our carefully crafted programs are age appropriate, all with the goal of encouraging curious, happy, and confident children who fully experience the joys of childhood.

A Bright Horizons early education and preschool experience includes:

- Innovative curriculum that guides children through each age and stage, empowering them to become confident, successful, lifelong learners
- Health, safety, and security policies that meet or exceed state and local standards as well as those created by the National Association for the Education of Young Children
- Experienced child development professionals with the training to guide and nurture each child
- Strong parent/teacher communication and partnerships
