Camp Explorations is specifically designed to meet the dynamic interests of school-age campers ages 5-12. Each day, the Campers will be going out on a field trip. There will be a wide variety of trips planned. They will be going to museums, movies, restaurants, baseball games etc. In addition to the daily field trips, Fitness, STEM, Technology, Art and Literacy will be incorporated throughout the entire summer to provide a well-balanced program with elements that campers this age are interested in.
