Las Vegas Region - Sports Car Club of America Practice / Test Day events are designed to concentrate on driver enjoyment.

PHILOSOPHY:

Track Events are non-competitive events. Motorsports are inherently dangerous. These rules are intended to assist the orderly conduct of a motorsports activity and are in no way a guarantee against injury or death to participants, spectators or others. You can reduce risk by driving well, by properly using superior safety gear, by paying attention, and by reporting unsatisfactory issues to the event officials.

DRIVER ELIGIBILITY:

Drivers should meet one of the following:

- Those who hold a valid state driver's license, or
- Those who hold a racing license from a recognized motorsports organization, or
- Others who demonstrate evidence of experience relevant to high-performance driving.

All drivers aged 15 to 17 must contact event officials before the event. A completed Annual Parental Consent, Release and Waiver of Liability, Assumption of Risk and Indemnity Agreement and a completed Minor's Assumption of Risk Acknowledgment is required (note: forms vary by state and witnessing method). A SCCA Time Trials or Competition License is not required. Current SCCA membership (weekend memberships are available) is required. All drivers must attend all mandatory drivers' meetings, classroom sessions and debrief sessions and must drive in a manner consistent with the safety nature of the event.

Helmets certified as meeting the applicable Snell, FIA, or SFI standards.

HELMET / EQUIPMENT:

Acceptable standards include: Snell ratings SA2015, SA2010, SAH2010, SA2005, M2015, M2010, M2005, K2010 and K2005, SFI ratings 31.1, 31.1A, 3.12, 31.2A, 31.1 2005, 41.1, 41.1A, 41.2, 41.2A, 41.2 2005 and 24.1, FIA 8860-2010, 8859-2015.

There is a considerable gap between a minimum standard and the best protection that current technology can provide. **It is recommended that seats, restraint systems, roll bars, and helmets meet the highest safety standards possible.**

All participants shall wear shoes which fully cover the foot at least to the ankle while on course.

VEHICLE PREPARATION AND INSPECTION:

The entrant is responsible for insuring that the vehicle being used is properly prepared for operation under elevated acceleration, braking and cornering forces. Have a Tech inspection sheet completed and available to present to registration and/or the SCCA tech inspector.

ELIGIBILITY OF VEHICLES:

- All vehicles must provide factory original (or better) seats that are securely mounted, seatbelts (SFI or FIA rated are recommended), and roll over protection for both driver and in-car instructor (if used).
- Hardtop and Targa top vehicles are allowable.
- Convertible vehicles operating with the factory roll over protection system are allowable.
- Other convertibles should have either a factory hardtop or a 4 point roll bar. If a roll bar is used, it should meet the roll bar requirements found in the TT/HC Driver Information TTR.
- Vehicles that are in compliance with road race, solo, rally or time trial rules are allowable.
- Drivers of open top vehicles should use arm restraints or run with the top up.

GENERAL RULES OF THE ROAD:

- No driver, entrant, or crew may consume alcohol until all practice, racing, or track time for his group is finished for the day. Anyone who has consumed any alcohol on the day of an event, other than following the conclusion of his activities, shall not participate on that day, may be excluded from the balance of the event, and may be penalized. Alcohol may not be consumed in the pits until after all the day's on track activities are concluded. Performance impairing substances are prohibited at all times. Performance impairing substances are prohibited at all times.
- Unless specifically authorized by the Chief Steward, passengers are not allowed in a vehicle.
- Passing zones and procedures will be defined by the operating officials and communicated to the participants during the drivers' meeting, classroom session.
- The SCCA provides event liability and participant accident coverage for those who are properly registered (including waivers and credentials if necessary). Access to some areas requires SCCA membership (weekend memberships are available).
- Everyone in attendance must properly follow applicable rules and regulations of the event.
