

Saturday In-Person Center Visits

We can't wait to meet you and show you our center!

During your visit, you'll have the chance to tour our child care center with a member of our leadership team and learn about our curriculum, enhanced COVID-19 health and safety policies, and our center community.

Prior to entering our center, we will do a health screening and temperature check. Masks are required and we can only allow one household member for the visit. Tours will be approximately 20 minutes in length.

To book a visit, email villa@brighthorizons.com with your desired tour time. Our team will reply to confirm your time slot.
