Stage: 4 EN

Recipient: Toad

Patient No: 008834958
Sex: NA
Diagnosis: Chronic Lymphocytic Leukemia (CLL)
Stage: II

Recipient: Yoshi

Patient No: 0087399885
Sex: NA
Diagnosis: Chronic Myelogenous Leukemia (CML)
Stage: Elastic

Characters can't get sick, but their players can.

You never know what battle your teammates may be facing. Every three minutes, an American is diagnosed with leukemia, lymphoma, Hodgkin's disease, or myeloma. The Leukemia & Lymphoma society is the largest nonprofit dedicated to creating a world without these blood cancers.

Help us level up our fight: learn and give at lls.com
