

Join us for an Action-Packed Summer

Get ready for a summer full of adventure at LifeConnections Children's Learning Center! Our program offers plenty of time to experiment with science and technology, engage in the creative arts, discover nature, and explore the world. Experienced teachers, a curriculum based on each child's interests, engaging projects and activities, and virtual field trips and events will make summer fun and educational. Plus, our industry-leading health and safety protocols offer the reassurance you need.

Register Today!

<input type="checkbox"/> Session 10	8/8-8/12	Around the World in 5 Days	Sculptures from Across the Globe

Themes and special events are subject to change

Session 1 June 6-10 On a Roll: The World of Wheels

Let's get summer rolling as campers investigate how wheels make the world go round. Explorers will become engineers as they take toys apart, invent new vehicles, easily move heavy objects, and investigate what really goes into making cars, trains, trucks, and more.

Special Event: Wheel Days

Session 2 June 13-17 Taste the Rainbow

Embark on a week of colorful adventures as campers create foods that showcase the colors of the rainbow. Each day will have a featured color to explore.

Special Event: Chef Experience

Session 3 June 20-24 Become a Lego Genius

Does your child have what it takes to become a Master Builder? During this week, campers will learn the ins and outs of the Lego world. Children will discover fun facts and learn how artists create their themes. Be sure to bring your creativity and working hands for a fun-filled week of discovery!

Special Event: Lego Demo

Session 4 June 27- July 1 Fitness Fanatics

Can your camper beat the clock? We will showcase their knowledge and skills as they play popular games and sports. A new sport will be tackled each day and we will end the week with our very own camp fitness challenge.

Special Event: Field trip to Vasona Park

Session 5 July 4-8 Hop the Hawaiian Islands

Grab your hula skirt and lei as you hop aboard a tropical adventure. Learn about the scenery, foods, and cultures of the main islands of Hawaii. Find out why the islands of Hawaii have different colored beaches and ecosystems.

Special Event: Kona Ice & Hula Lesson

Session 6 July 11-15 Be Your Own Superhero

BAM! POW! SHAZAM! Did you know there are superheroes all around us?! This week, campers will create their own superhero persona and comic book, while learning what it truly means to be a hero.

Special Event: A visit with Lieutenant Galazzo

Session 7 July 18-22 The Secret Life of a Spy

Can you solve the case? Learn what it takes to become a detective and super sleuth. Grab your magnifying glass and get ready to crack the code!

Special Event: Field trip to Children's Discovery Museum

Session 8 July 25-29 Adventures in the Arts

Imagination and inspiration will shine during this week of art and design. Explorers will be introduced to a variety of art forms, techniques, and artists. Campers will learn what it takes to make a work of art with each piece they create.

Special Event: Field trip to Golfland

Session 9 August 1-5 Abracadabra! Magic Camp

Calling all magicians and wizards! Take a mysterious trip with us as campers dive into the spell bounding world of magic! From optical illusions to trickery of the eye, campers will learn how to baffle their audience with a slight movement of the hand. Children will research famous magicians and try to unlock their secrets.

Special Event: Virtual Magic Show

Session 10 August 8-12 Around the World in 5 Days

Grab your passports and pack your bags! Be ready to become a junior geographer traveling all around the globe. Get ready to learn fun facts, try tasty treats, and create cultural art from far away countries.

Special Event: Sculptures from Across the Globe
