

WINDY CITY BMW High Performance Driving Experience

May 19 and 20, 2018

Autobahn Country Club

The 2018 HPDE Season is sponsored by BMW of Schererville.

Dear Worker,

Thank you for volunteering for the Windy City BMW Club Autobahn Country Club High Performance Driving Experience (HPDE). We have provided the Driver Packet information to you below. Please be sure to register for dinner if you wish to attend, be sure to bring the Medical Form to registration and look over the Waiver you will need to sign at the track. We can't do this experience without you, so **THANK YOU!**

The following info is provided just to acquaint you with the latest changes we have made to the program.

This year the following wrist band colors will be assigned: to instructors – black/white checkered, to drivers– green, yellow or red to match their run group, to workers and visitors - purple.

We will create a scheduling break for instructors between the Red/Novice and Yellow/Intermediate run groups to minimize the change over challenges we experienced in the past.

1. There will be a Solo run group. Solo run group participants are highly experienced HPDE participants. Eligibility for this run group will be decided by the Driving Events Committee. The Solo run group will run in their own group and also be allowed to run with the instructor group.
2. These Experienced participants will have the opportunity to select an instructor for each session if they wish. This gives the experienced HPDE participant the opportunity to learn from various instructors.
3. If two drivers want to share one car and will split their driving within a single run group, one driver will register for the experience to confirm pricing and they will have notified a committee member so we will know of the arrangement. *(Note that Lockton track insurance allows for multiple drivers.)*

Old Designation	New Designation	Instructor
Experienced	Solo - Green	If desired, pick an instructor from our designated group
Intermediate	Yellow	Pre-assigned
Novice	Red	Pre-assigned

We will be driving on the South Track all weekend.

Autobahn CC May 21 & 22

Cancellation Policy: If you have to back out after registering, please call Randy Everson (847-274-7129) ASAP and let him know you are not coming.

Insurance Issues: Please be aware that most insurance companies are adding waivers to their policies that specifically suspend comprehensive coverage for your vehicle if it is used on any closed (i.e. not public) roads. You may or may not want to consult your insurance agent.

BMW CCA works through Lockton Affinity to offer coverage for cars at driving events. See the included letter and the link below for more information.

<http://hpdeins.locktonaffinity.com>

Technical Inspection: Drivers & instructors must present a signed/certified Tech Inspection sheet at Registration. **There is NO onsite inspection.** The technical inspection is for everyone's safety on the track with you. As this is a BMW CCA national requirement THERE ARE NO EXCEPTIONS TO THIS RULE.

Helmet: Must be Snell or SFI 2010 or newer. Helmets need to be checked. Participants will bring helmet to the track registration to get the helmet teched **unless they already have a current Windy City BMW sticker (yellow or green)** . Some open faced loaner helmets will be available. Autobahn Country Club has some helmets available to rent for the weekend.

Registration from 7:00 AM till 7:30 AM. You should arrive at the track by 6:30 and tell folks at the front gate that you are event staff so they will let you in. At the front gate you must sign two liability waivers, one for Autobahn and one for Windy City BMW which signs away your rights. A copy of our waiver is enclosed, please review it.

At 8:00 AM on both Saturday & Sunday there will be drivers' and instructors' meetings near the South Tower building. This is the most important safety meeting of the day and is MANDATORY for them.

Parking at Autobahn: As you pull in and drive toward the Member Club House building (straight in front of you), park anywhere between the two towers (paddocks B & C). The members have all the parking near the Member Club house (paddocks A & D).

Technical Workshops: The first scheduled Workshop is mandatory for all groups. This is a BMW CCA national requirement. The classroom for this is located in the South Tower building, bottom floor.

- During Saturday, one special session will provide a corner-by-corner Google Earth "Geo Racetracking" presentation by Francesco Davola, a professional racer and driving coach, to give you a thorough analysis of each section of the Autobahn course.
- To get more information about high performance driving techniques, you can print a drivers manual from the web at:

<http://windycitybmw.com/photo.aspx?moid=15861>

INSURANCE REGULATIONS: ABSOLUTELY NO RACING WILL BE ALLOWED. ANYONE ENGAGED IN RACING BE EXPELLED, NO EXCEPTIONS, NO REFUNDS.

No driver will be allowed to drive anyone other than an instructor around the track during regular track sessions – BMW CCA Insurance requirement.

Saturday Night Dinner – NEW MENU: For all participants/ family/friends (cash bar, after the track goes cold). Menu is the Austin Blue BBQ: Hickory smoked pulled pork, BBQ chicken breast, Caesar salad, Au gratin potatoes, assorted rolls, plus fresh-baked cookies & brownies for desert.

Track Touring: During the lunch break, both days, there will be track touring. Participants, including workers 18 or older, will be able to take your family and friends around the track and show them what they are learning/doing. This is just touring and no helmets are required. Maximum speed limit is 50 and there is no passing.

Weather: Who knows about the weather? Please come prepared for the worst. Try to pack your things (rain gear, clothes, spare parts, etc.) in waterproof containers (like Rubbermaid Roughnecks) or bring a tarp or big plastic bags because your car will be unpacked in whatever the weather.

Gasoline & Air: Air and fuel are available at the track (expensive) or 10 minutes away.

Concession Stand: The concession stand will be open until 3:00 PM each day. The food is really good. They will also have ice for sale. Your schedule has rest periods to allow time for you to eat.

Paddock: The paddock (parking) area has no shade. Bring skin protection and a canopy, if you have one.

Medical Information: Please print, complete and bring the attached BMW CCA required MANDATORY Medical Form **to registration in a sealed envelope with your name on the outside**. The form will provide emergency information to the staff EMTs only if needed.

RELAX AND ENJOY. Windy City BMW has a lot of experience putting on high performance driving experiences. If you have any questions, please feel free to call one of the committee members.

We are looking forward to seeing you at Autobahn Country Club on May 19 & 20.

THIS IS A NON-TIMED/SPEED EVENT.

From the BMW CCA Website-HPDE insurance program

Are you insured on track? Now you can be!

Good news for track rats: The BMW Car Club of America has announced a partnership with Lockton Risk Services to provide a high-performance driving event insurance program, delivering affordable insurance to the many BMW CCA enthusiasts involved in performance driving events. The HPDE Insurance Program provides an *à la carte*, single-event policy designed to provide affordable physical-damage coverage to vehicles used in BMW CCA high-performance driving HPDEs at race tracks across the United States.

“Our performance driving members have expressed concern about exclusions that they are seeing in standard auto policies,” said Frank Patek, executive director of BMW CCA. “Our driving-enthusiast members have noticed a trend over the past few years: new exclusions being added to their auto policies at renewal time. Many insurers eliminate coverage while policyholders drive at race-track facilities. We needed a solution to protect our members involved in our driving HPDEs.”

That’s where Lockton Affinity comes in. “Car enthusiasts have been asking for an affordable means of insuring their vehicles at driving HPDEs for years,” says Lockton Affinity’s Ryan Staub, who is also Chief Instructor for the Kansas City Chapter of BMW CCA. “Due to the growing need for programs like this—and BMW CCA’s excellent safety record at performance-driving events—we were able to obtain approval to offer coverage at a discounted rate to BMW CCA participants attending BMW CCA events. The discount is already ‘live’ on our website. BMW CCA members just select a BMW CCA event they want coverage for, and the discount is automatically applied.”

The BMW CCA-endorsed HPDE Insurance Program, administered by Lockton Risk Services, offers an agreed-value insurance policy providing primary coverage for incidents in the paddock or on the racing surface, whether the vehicle is being driven by the primary driver, co-driver, or instructor. In addition, after-market modifications made to vehicles are also covered, and any HPDE-related claims will not affect a participant’s street insurance rates or claims history. As for affordability, you can purchase physical-damage coverage on a vehicle valued at \$20,000 for as little as \$113. HPDE Insurance Program policies are sold online and can be obtained in as little as five or ten minutes; for participants registering for events through MotorsportReg.com, coverage can be obtained by the link provided during the registration process to the HPDE Insurance Program site for that particular event.

“We’ve been listening to our members’ concerns,” says Patek, “and we’ve responded with a membership benefit that will help chapters maintain HPDE participation and assist our individual members with a solution.”
